

# A Fully Simulated Comprehensive Implant Placement Course

Lecture/Hands-On Course

## OVERVIEW

This course is designed for dentists who have a significant surgical background and a basic knowledge of implant dentistry. It is a comprehensive, hands-on experience in implant dentistry. The program will combine multiple surgical and prosthodontic procedures to help enhance the participant's knowledge in both the restorative and surgical aspects of implant dentistry. It will be geared toward dentists who already have a solid didactic and pre-clinical background in implant dentistry.

This impressive facility is focused on training with its sophisticated labs, audiovisual equipment and lecture facilities with the most advanced and realistic patient treatment mannequins in the world.

## PRESENTERS:

**SIDNEY L. BOURGEOIS, JR., D.D.S.**, obtained his dental degree from Louisiana State University School of Dentistry in May 1991. In August 2006, Dr. Bourgeois resigned his Commission in the United States Navy and joined the faculty at The University of Texas Health Sciences Center in San Antonio, Texas as a Clinical Assistant Professor.

**MICHAEL P. MILLS, D.M.D., M.S.**, received his dental degree from the University of Alabama School of Dentistry in 1970 followed by a one year General Practice Residency at Eglin USAF Regional Hospital in Florida. Dr. Mills is a Clinical Associate Professor with teaching responsibilities in the Postdoctoral Division of the Department of Periodontics.

**IVY S. SCHWARTZ, D.D.S., M.S.Ed.**, earned her DDS degree from The University of Texas Health Science Center at San Antonio in 1982. She received a certificate in Prosthodontics in 1984 and is a Diplomate of the American Board of Prosthodontics. Dr. Schwartz is familiar with a wide variety of implant restorations as well as surgical aspects of implant dentistry.

**RONALD G. VERRETT, D.D.S., M.S.**, attained both his dental and M.S. degrees from The University of Texas Health Science Center at San Antonio, School of Dentistry in 1979 and 1987. Continuing his postgraduate training with the U.S. Air Force, he completed a General Practice Residency at Barksdale Air Force Base, Louisiana in 1980 followed by a Prosthodontic Residency at Wilford Hall USAF Medical Center at Lackland Air Force Base, Texas in 1987.

## TIME

Check-in: **Wednesday**, 8:30 PM – 9:15 PM (PST)

Program: **Thursday**, 8:00 AM – 5:00 PM (PST)

Friday, 8:00 AM – 6:00 PM (PST)

Saturday, 8:00 AM – 1:00 PM (PST)

## LOCATION

The Zimmer Institute • Carlsbad, California (just north of San Diego)

## TUITION

Dentist: \$2,250

**CREDIT** (Course Code: 160231A)

AGD Code 690/695/704/691 Hours 24

## GO WEST special

**Save \$450**, register before **February 10, 2017** - Pay only **\$1,800**

Reserve your room with Carlsbad Inn Beach Resort before **February 10, 2017** and pay in full.

**Save \$340**, register before **March 10, 2017** - Pay only **\$1,910**

Reserve your room with Carlsbad Inn Beach Resort before **March 10, 2017** and pay in full.

*A \$50 additional fee per person will be assessed to course attendees not staying at the Carlsbad Inn Beach Resort*

## OBJECTIVES

At the conclusion of the course, participants will be able to understand:

- Basic restorative and surgical treatment planning skills, rationale, and scientific basis for using implant therapy to restore oral function, health and esthetics
- Surgical skills in soft tissue management and implant placement for single-unit, multiple-unit and full arch cases
- Treatment planning, scientific rationale and surgical treatment skills in minor bone grafting techniques such as ridge augmentation and ridge preservation techniques
- Techniques in extraction and immediate implant placement
- Gain experience with the latest implant surgery and prosthetic implant instrumentation.
- Impression techniques
- Restorative techniques using advanced mannequin models for single unit, multiple unit, and fully edentulous scenarios with various overdenture attachments
- Various treatment options for managing complex prosthodontic needs

## HOTEL ACCOMMODATIONS

### Carlsbad Inn Beach Resort - Paradise on the San Diego Coast

Steps from the majestic Pacific Ocean and five miles of pristine beach, the Carlsbad Inn Beach Resort & Hotel is a peaceful destination resort within the charming coastal Village of Carlsbad, California. Our charming European-style beach resort offers beautiful vacation rentals, condos and hotel accommodations for relaxing family vacations, romantic get-aways and group retreats on the breathtaking Southern California coastline. Our beautiful sand beaches, swaying palm trees, crashing ocean waves and friendly Southern California hospitality will rejuvenate your spirit!

It is recommended that you make your reservations directly with this host hotel for the Zimmer Institute weekend at this time. Indicate your participation at the UTHSCSA Continuing Dental Education program, Zimmer Institute to receive the reduce rate of \$142.00 per night.

**PREREGISTRATION:** Preregistration for all courses is necessary. Each participant should pre-register for a course as a course packet will be available at the time of check-in. Please call the Office of Continuing Dental Education at (210) 567-3177 or fax form to (210) 567-6807 to pre-register for a course or mail the registration form with credit card number or check made payable to "UTHSCSA" to:

**UT Heath San Antonio-School of Dentistry**  
Continuing Dental Education MSC 7930  
7703 Floyd Curl Drive  
San Antonio, Texas 78229-3900

or

**Fax this form to (210) 567-6807**  
or call us at (210) 567-3177

**OFF SITE (PARTICIPATION & LECTURE) PROGRAM REFUND POLICY:** If you must cancel your registration, please notify the Office of Continuing Dental Education as soon as you determine you are unable to attend so that a refund may be considered. Due to commitments to off-site properties, any cancellation made prior to the start of the program will be subject to an administrative fee assessment of \$198.50. Any cancellation made two months or less, prior to the course does not qualify for a refund. However, participants may choose to place their tuition minus an administrative and direct cost fee assessment into a holding account for future use. "No Shows" will not qualify for refunds. Written notification is required within five business days by mail, fax, or e-mail to initiate the refund process. Please allow four to six weeks for all refunds. Specific refund policies may apply to all off-site programs. Contact our office for the specific refund policy regarding any course..

**ADA C·E·R·P**® | Continuing Education  
Recognition Program

UT Health San Antonio, School of Dentistry is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry.

Continuing Dental Education credits are designated in each course description. Concerns or complaints about a GE provider may be directed to the provider or to ADA CERP at [www.ada.org/cerp](http://www.ada.org/cerp).
