Even in today’s economy there are many patients that still want implants for tooth replacement.

PRECEPTORSHIP INFORMATION
This Preceptorship honors our co-founders Roland M. Meffert, D.D.S. and Robert J. Cronin, Jr., D.D.S., M.S., and consists of an annual review and updated curriculum that is clinically focused while incorporating the latest research from the clinical basic sciences. This will provide the participant with an understanding of the rationale and scientific basis for the clinical practice of implantology. The participants will meet for six weekend sessions which will include didactic sessions and some hands-on training experiences in an interactive learning environment.

PRECEPTORSHIP OBJECTIVES
The participant will learn:
• The rationale and scientific basis for the clinical practice of implantology.
• The current concepts, principles, and clinical methodology used effectively in practice.
• The proper evaluation, diagnosis, and selection of patients for implant placement and restoration.
• To develop and understand specific implant, surgical and prosthodontic skills, and the different modalities available.
• To manage the more difficult clinical situations, such as patients with advanced maxillary or mandibular atrophy.
• The practice management aspects of dental implantology: records, insurance, informed consent, medical-legal and marketing considerations.

DIDACTIC SESSIONS
• History and future of dental implantology.
• Three-day classroom/cadaver laboratory exercises.
• Biomechanical and biomaterial aspects of dental implantology.
• Physiology of bone with emphasis on cellular, molecular healing, bone maturation of bone in function and selection of implants with different designs and surfaces relating to bone density and planned implant function.
• Anatomy of the maxilla, mandible and TMJ in terms of available bone and anatomy as related to stress distribution.
• Anatomical structures (muscles, nerves, arteries) as they relate to implant placement.
• Philosophies of implant retention and stabilization.
• Essential treatment planning facets, including patient selection, past dental and medical history, essential diagnostic guides (casts, templates, etc.), documentation, appointment sequencing with laboratory, surgeon, restorative dentist. Essentials of joint treatment planning, and recall principles.
• Surgical and prosthodontic considerations including incision design, fixture and abutment selection, occlusal considerations, and force transmission.
• Peri-implantitis and its effect on the dental implant from the infective and traumatic aspects.
• Post-restoration responsibilities of staff personnel, hygienist, surgeon and restorative dentist on a recall basis.
• Demonstration of instruments, techniques for post-implant placement, restoration hygiene.
• Principles in troubleshooting, rescue, and retrieval procedures.
• The prosthetic aspects of diagnosis and treatment planning as well as the clinical communication of this information to the surgeon.
• Procedures for developing optimum esthetics and the biomechanical loading aspects of implant restorations.
• Component systems will be categorized with specific indications for their use.
• The importance of optimal laboratory support and clinical communication skills to facilitate positive interaction with the dental technician.
• Indications and techniques relating to insertion of implants in single tooth and fresh extraction site situations.
• Hard and soft tissue grafting, guided soft, hard tissue regeneration in both pre and post-implant placement, including sinus lift procedures.
• Repair of the ailing, failing implant with new regenerative procedures and materials.
• An overview of informed consent documentation and medical-legal review.
• The principles of practice management, marketing, and insurance considerations.
• An opportunity for your dental hygienist to complete a certification course in dental implant hygiene.

PARTICIPATION SESSIONS
• The Preceptorship will feature hands-on and interactive sessions.
• Co-Directors will conduct a two hour diagnostic and treatment planning segment featuring the preceptors’ patient cases at each of the weekend sessions.
• Implant anatomy laboratory will give the preceptors the opportunities to familiarize themselves in implant anatomy through dissection and to actually place implants in cadaver models.
• Hands-on exercises will familiarize the preceptors with the surgical and restorative aspects of dental implant systems and prosthetic laboratory techniques.

PRECEPTORSHIP DIRECTOR
BRIAN L. MEALEY, D.D.S., M.S., received his dental degree from The University of Texas Health Science Center at San Antonio, Dental School in 1983. He attained his specialty certificate in Periodontics from Wilford Hall Air Force Medical Center, Lackland Air Force Base in 1990 and a Master of Science in Periodontics from The University of Texas Health Science Center at San Antonio, Dental School. He is an Associate Professor and Head of the Specialist Division in the Department of Periodontics at The University of Texas Health Science Center at San Antonio.

PRECEPTORSHIP DIRECTOR
STEPHAN J. HANEY, D.D.S., earned his dental degree in 1974 from Baylor College of Dentistry in Dallas. With Air Force sponsorship he obtained specialty certification in Prosthodontics from The University of Southern California in 1979. He taught in Air Force AEGD residencies for 15 years until his retirement in 1998 when he entered private practice in Fort Worth, TX. Assuming a full time teaching position at UTHSCSA in 2007, he transitioned to Director of the Postdoctoral Prosthodontics Program in 2011.

PRECEPTORSHIP CO-FOUNDER
ROLAND M. MEFFERT, D.D.S., received his dental degree from Marquette University in 1955 and Certificates in Periodontics from the University of Texas Health Science Center at Houston, Dental Branch in 1961 and Wilford Hall USAF Medical Center, Lackland Air Force Base, Texas in 1962.

PRECEPTORSHIP CO-FOUNDER
ROBERT J. CRONIN, JR., D.D.S., M.S., received his D.D.S. degree from Georgetown University in 1967 and completed a three year postdoctoral program in Prosthodontics at Wilford Hall USAF Medical Center, receiving a Master of Science Degree from The University of Texas Dental Branch at Houston in 1975.
TUITION INFORMATION
(Includes course materials, lunch on Friday and Saturday, celebration dinner, case presentations, and recognition as a Dr. Kenneth D. Rudd Continuing Dental Education Participant Award Recipient.)

DENTIST: $9,897.50
Save $1,300.00 off the tuition fee by making a non-refundable deposit of $1,000 before May 3, 2013
(Your final tuition will be $8,597.50 and the balance of $7,597.50 will be due before August 2, 2013)

OR

DENTIST: $9,897.50
Save $1,100.00 off the tuition fee by making a one-time payment of $8,797.50 between May 3 and August 2, 2013 (which includes a non-refundable $1,000 deposit).
(Your final tuition will be $8,797.50)

TWO ADDITIONAL EASY WAYS TO SAVE!
Reserve your spot now with a non-refundable deposit of $1,000.00 before July 8, 2013 and qualify for $497.50 off the full tuition fee.
(Your final tuition will be $9,200.00)

OR
Send a non-refundable deposit of $1,000.00 before August 2, 2013 and qualify for $497.50 off the full tuition fee.
(Your final tuition will be $9,400.00)

You will be mailed a registration confirmation letter and a statement with your remaining balance due, at which time you will be able to pick which payment plan you want to participate in.

THEN YOU WILL HAVE FOUR MORE OPPORTUNITIES TO SAVE EVEN MORE:

If you pay the entire balance due (based on your deposit date) before August 9, 2013 you will receive an additional $400.00 off the remaining balance.
$9,897.50 - $400 = $9,497.50

OR
Pay the entire balance due (based on your deposit date) before September 2, 2013 and you will receive an additional $200.00 off the remaining balance.
$9,400 - $200 = $9,200

Start making the first of 5 successive monthly payment plans (based on your balance due) before August 9, 2013 and you will receive an additional $100.00 off the remaining balance.
$9,897.50 - $100 = $9,797.50

If you make the first of 5 successive monthly payment plans (based on your balance due) before September 2, 2013 and you will receive an additional $50.00 off the remaining balance.
$9,897.50 - $50 = $9,847.50

No fee reductions are available after September 2, 2013 but a five successive monthly payment plan is available.

PAST PRECEPTORSHIP FACULTY
(This year’s selection may include but will not be limited to)
Frederick A. Bell, DDS
John B. Brunski, PhD
David B. Buerer, DMD, PhD
David R. Cagnia, DMD
Donald F. Calkin, DDS
Paul Peng Chang, DDS

PRECEPTORSHIP IN DENTAL IMPLANTOLOGY
If you must cancel your registration, please notify the Office of Continuing Dental Education as soon as you determine you are unable to attend so that a refund may be considered. Due to commitments to this type of programs, any cancellation made before August 30, 2013 will be subject to an administrative fee assessment of $2,087.50 plus applicable nonrefundable deposits.

HOTEL ACCOMMODATIONS
Special rates and arrangements have been made at the newly built La Quinta Inn & Suites Medical Conference Center. Enjoy this UPSCALE - hotel offering vibrant, inviting San Antonio feel guest rooms, all with luxurious pillow-top beds and down pillows, refrigerator, microwave, granite countertops, and complimentary wired and wireless Internet access. Their staff is genuinely friendly and helpful. This is the closest hotel (only 1 mile) to the UTHSC Medical Center and hospitals, with Six Flags Fiesta Texas, La Cantera Shopping Mall, the Riverwalk, the Alamo minutes away; and only 12 miles to SeaWorld!

It is recommended that you make your reservations directly with this host hotel for all the Preceptorship weekends at this time. Indicate your participation at the UTHSCSA Continuing Dental Education program, Preceptorship in Dental Implantology to receive the reduced rate of $85.00.

La Quinta Inn & Suites
4431 Horizon Hill Blvd
San Antonio, TX 78229
Phone: (210) 525-8090
Fax: (210) 525-8453
RATES: Single/Double $85.00
REGISTRATION FORM

Please use one form per person-photocopy as needed. Please include both registration worksheet and registration form.

PREREGISTRATION: Preregistration for all courses is necessary. Each participant should pre-register for a course as a course packet will be available at the time of check-in. Please call the Office of Continuing Dental Education at (210) 567-3177 to pre-register or fax it to (210) 567-6807 for a course or mail the registration form with credit card number or check made payable to "UTHSCSA" to:

UTHSCSA
Continuing Dental Education MSC 7930
7703 Floyd Curl Drive
San Antonio, Texas 78229-3900

The University of Texas Health Science Center at San Antonio is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry.

Continuing Dental Education credits are designated in each course description.

Concerns or complaints about a CE provider may be directed to the provider or to ADA CERP at www.ada.org/goto/cerp.

DENTIST: $9,897.50
