Academic Outreach in Victoria, TX in cooperation with the Guadalupe Valley District Dental Society

Lecture Course/Allied Dental Personnel are invited to attend

Dental Sleep Medicine: Snoring and Obstructive Sleep Apnea
What Every Dentist Should Know About this Life Threatening Medical Disorder

RICHARD B. DRAKE, D.D.S.

OVERVIEW
This is an academic outreach program in cooperation with the Guadalupe Valley District Dental Society. Are you sick and tired of being sick and tired? Fatigue is the number one complaint heard by health professionals across the globe. Fifty to seventy million Americans suffer from sleep related problem. Sleep related breathing disorders, such as snoring and obstructive sleep apnea, are at the top of this list. Less than 10% of these patients have been diagnosed. As dentists, we are in a prime position to be the first to recognize this disorder and to help steer patients in the right direction to get diagnosed. We also have the ability to treat many of these patients ourselves, thus improving their quality of life as well as possibly saving their life!

OBJECTIVES
Background:
• Understand normal breathing and airway anatomy and the problems and variants that lead to snoring and obstructive sleep apnea.
• Learn the basics of sleep

Signs and Symptoms:
• Learn the effects of sub-optimal sleep on health and quality of life.
• Recognize those symptoms and behaviors that may indicate sleep disordered breathing.

Diagnosing:
• Understand current and proposed diagnostic methods and the role of dentists in the team approach.

Treatment:
• Review the current treatment modalities for snoring and for mild, moderate and severe OSA.
• Explore the role that dentists can play in the management of sleep disordered breathing.

Follow Up:
• Understand the side effects of oral appliance therapy and how to manage them.

REGISTRATION FORM
Please use one form per person-photocopy as needed. Please include both registration worksheet and registration form.

PREREGISTRATION: Preregistration for all courses is necessary. Each participant should pre-register for a course as a course packet will be available at the time of check-in. Please call the Office of Continuing Dental Education at (210) 567-3177 to pre-register or fax it to (210) 567-6807 for a course or mail the registration form with credit card number or check made payable to “UTHSCSA” to:

UTHSCSA
Continuing Dental Education MSC 7930
7703 Floyd Curl Drive
San Antonio, Texas 78229-3900

ADA CERF® Continuing Education Recognition Program
The University of Texas Health Science Center at San Antonio is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry.

Continuing Dental Education credits are designated in each course description.

Concerns or complaints about a CE provider may be directed to the provider or to ADA CERP at www.ada.org/goto/cerp.
